

JOURNEY INTO BIBLE TRANSLATION: THE AMERICAS

Gather your family or friends and get ready to explore how God's Word is changing lives around the globe! Today, let's learn about the Americas.

FUN FACTS ABOUT THE AMERICAS:

Many of the countries in the Americas are where Bible translation is taking place closest to us here in the United States.

There are 24 countries in Latin America (Central and South America). Can you name any?

The Angel Falls in Venezuela is the world's highest waterfall, nearly 20 times the height of Niagara Falls.

Panama is the only place in the world where you can watch the sun rise over the Pacific Ocean and set over the Atlantic Ocean.

Guatemala is considered the "cradle of the ancient Maya civilization." Hundreds of archeological sites are still being discovered there.

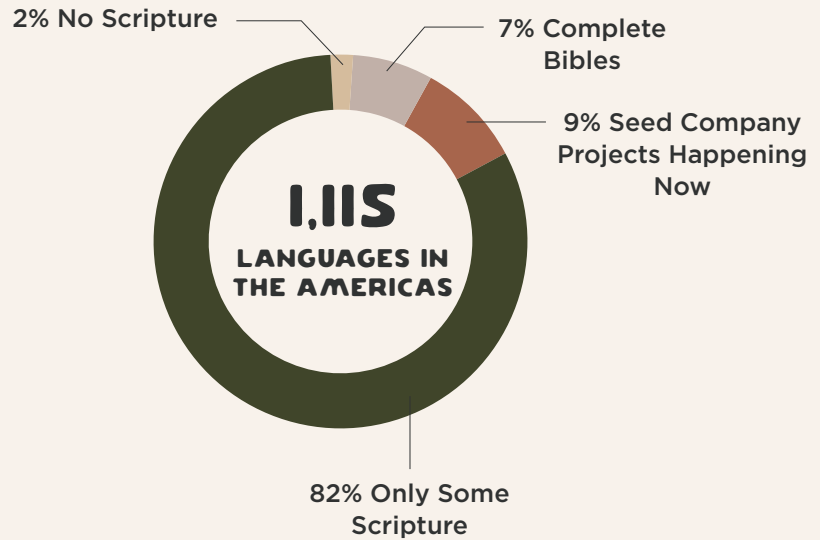

The Amazon Rainforest, located mostly in Brazil, produces around 20% of the world's oxygen that we breathe, earning it the nickname "the lungs of the Earth."

PRAY FOR THE AMERICAS

Dear God,

Thank you for how big and good you are, caring for kids all over the world, including in the Americas. Please use the Bible translated into the languages there to help people know and love you more. Give translators and church leaders patience and power as they work together on translations. Amen
