PRAYER POINTS

- Thank the Lord for Europe and the Middle East, a special part of the world where God worked in the past and continues to move today.
- While Jesus Himself lived in this area when He was on earth, and the early church started here, and many people in the region have the Bible in a language they understand, some of the most dangerous places left to translate Scripture are also here.
- Pray for God to protect translators and Christians who are risking their lives to tell others about Him and pray for the people, especially kids like you, who don't know about Jesus yet.

PRAY FOR EUROPE AND THE MIDDLE EAST

Dear God,

Thank you that you came to earth and lived in a real place. Please be with the people who live around that area now, in Europe and the Middle East. Use the Christians and churches and Bibles already there to share your love with people who don't know you yet. And be with the Bible translation projects happening to let even more kids and families learn about you. Amen
